

# Become an HMD Youth Advocate

Be part of a network of people aged 18-25 taking the lead to mark Holocaust Memorial Day (HMD) in their own communities and on campus.

Develop your leadership and communications skills to increase your employability and challenge people to work towards a safer, better future by ensuring that discrimination, racism and hatred has no place in your university.

The HMD Youth Board meet Lord Alf Dubs, *Kindertransportee*, and Olivia Marks-Woldman, Chief Executive of HMDT

There are so many opportunities available to you when you join the HMDT Youth programme:

- Meet survivors of the Holocaust and subsequent genocides
- Apply for a volunteer placement working in the HMDT office
- Attend or volunteer at the UK Ceremony for Holocaust Memorial Day
- Apply for a position on the Youth Board to shape the HMDT Youth programmes and represent young peoples' views
- Join us at the HMDT Youth Conference to hear from speakers and attend workshops
