

Become an HMD Youth Champion

Take the lead in marking Holocaust Memorial Day (HMD) in your school, college or youth group.

You will be part of a network of young people aged 14-18 challenging people to learn the lessons from the past to create a safer, better future.

As a Youth Champion, you will:

- Meet survivors of the Holocaust and subsequent genocides
- Gain leadership and communication skills which looks great on a CV or UCAS application
- Make a real difference by ensuring that discrimination, racism and hatred have no place in your community
- Attend or volunteer at the UK Ceremony for Holocaust Memorial Day
- Join us at the HMDT Youth Conference to hear from speakers and attend workshops

Go to hmd.org.uk/youth to find out more and sign up
